Philosophy:

At Our Lady of the Prairie Catholic School our Catholic faith is our guide. We recognize and affirm the spiritual individuality of each student, and believe the following:

- ***God’s loving presence surrounds each person***
- ***Opportunities to worship God and live the Catholic faith will give life to Catholic Tradition and the Gospel***
- ***Each student is a unique individual who learns in his or her own way***
- ***The development of self-discipline and a love of learning will lead to a positive, productive life in society***
- ***Parents are the primary educators and their involvement is integral to their child’s educational experience***
- ***Problem-solving and technological skills will enable students to meet the challenges that arise in today’s changing world***
- ***Through a nurturing, spirit filled educational setting, OLP develops young leaders in Christ by respecting all life and diversity***
